By Road

Follow arrows on roads as highlighted on main map below.

By Car

Cars may drop off and pick up at all entrances. Car parking is available near most entrances, a charge applies however, please note that spaces are limited. Parking is available for disabled patients and visitors near to each entrance. If all of these spaces are full please speak to security staff who will be pleased to offer assistance.

By Taxi

Taxis are permitted to drop and pick up patients at all hospital entrances. Please inform the taxi driver which entrance you require.

By Ambulance Transport

Ambulance transport is available for patients who have a medical need. If you feel you need to request transport, please speak to your family doctor at least seven days before your appointment. If you need to re-arrange this transport, please contract the Ambulance Bureau at the hospital you are attending.
